

TD SYNnex Academy

Labs & Learn

Labs & Learn is an on demand self-paced learning offering from TD SYNnex that combines the link to **Microsofts digital course content** with access to **Microsoft authorized remote hands-on labs**.

An ideal solution for busy, time-constrained professionals to grow their IT skills and their career. Build your Microsoft technology skills wherever & whenever you want with no traveling to a classroom location or adhering to classroom hours – save time & money. You only need a computer and an Internet connection and our Labs & Learn blend of the official Microsoft course material with remote hands-on labs.

Want to complete your training by taking the Microsoft exam? Then Labs, Learn & Certify is the perfect solution for you, as it comes with an Microsoft MCP exam voucher redeemable at any Pearson Vue training center, which enables you to take your exam any time and date during office hours at a location that is convenient for you.
