Limited time offer: FREE Exam Voucher when attending our Nutanix Training by 30 Sep 2023

AUTHORIZED TRAINING PARTNER

Obtaining a certification is always an advantage for your career advancement. We are happy to announce this special offer for those interested in the Nutanix certification. From now until 30 Sep 2023, you can get a FREE exam voucher when registering and attending any of our Nutanix training courses below.

Level 1-Associate

- **Nutanix Hybrid Cloud Fundamentals (NHCF) 6.5**
  If you are relatively new to Nutanix and want a feature-focused introduction to Prism Central and its various capabilities, this course is your starting point. NHCF explores the breadth and depth of Nutanix's centralized management capabilities, and allows you to explore the wide variety of features available in Prism Central.
  The Nutanix Hybrid Cloud Fundamentals course introduces you to the products, capabilities, and technologies that serve as the foundation of Nutanix's Hybrid Cloud solution.

Level 2-Professional

- **Nutanix Enterprise Cloud Administration (ECA) 6.5**
  If you already have experience with administering a Nutanix environment, this course will extend, deepen, and broaden your knowledge as you grow in your career as a Nutanix administrator. Designed with Prism Central as the focal point, this course illustrates the breadth and depth of Nutanix's centralized management capabilities, and allows you to explore the wide variety of features that are available in this one, single web console.
- **Nutanix Enterprise Cloud Administration Online Plus (ECA Facilitated Lab)**
  Facilitated Labs are a great way to apply your knowledge while building your skills an confidence. Whether you've taken the instructor-led (ILT) or online self-paced version of the course (or plan to in the future) you can now sign up for the Facilitated Labs to get additional hands-on practice time.

Chart your course to success by taking part in this exciting offer!
By participating you'll unlock a host of benefits that will help propel your career forward.
1. **Skill Advancement:** Our training courses are designed by industry experts to help you grow your Nutanix hybrid multicloud knowledge. No matter which stage of the hybrid multicloud journey you're on, there's a course for you!
2. **Industry Validation:** Having a Nutanix certification will validate your skills and prove you're well-equipped to guide your organization along their hybrid multicloud journey.
