

Updates to the Ping Identity Curriculum

Ping Identity has recently their curriculum alignment programme which aims to align both Ping Identity and ForgeRock courses. During the first phase of this programme, the Ping content will be aligned into the new structure as you will see below, including a release of new badges.

The ILT courses currently fall into the Practitioner and Scholar levels within the new structure. Please see the impacted courses below:

Practitioner Badges:

- [PingFederate Administration \(PF-300\)](#)
- [PingDirectory Administration \(PD-300\)](#)
- [PingAccess Administration \(PA-300\)](#)

Scholar Badges:

- Advanced PingFederate Administration
- Advanced PingDirectory Administration
- Advanced PingAccess Administration

These changes will be commenced on 3rd June 2024. If you're currently displaying Ping badges on your website you can update your pages from Monday 10th June.

Certification questions or can't find the course you want?

To find out about course prices, certification costs, or help identifying the right courses, contact us and our training experts will be happy to assist you. TD SYNEX can also deliver closed courses for larger groups and customise VMware training to your exact needs.
