

3 Ways To Pay For Nutanix Training

In the recent Nutanix Enterprise Cloud Index, 79% of respondents indicated they lack the IT skills required to meet business demands. Move into the other 21% with Nutanix University training and fill critical skill gaps to ensure your success.

As a Nutanix Authorised Training Partner, we offer a fresh, engaging, and interactive way of teaching you the fundamentals you need to succeed. With beginner through advanced level training courses, we have a course for you no matter where you are on your hybrid multicloud journey.

With our instructor-led training, you'll get expert-led classes equipped with detailed instruction and hands-on labs. Each class is designed to help you master core concepts in a comfortable, ready-to-learn environment. We also offer supplemental training options through Facilitated Labs and Exam Prep training. No matter which you choose, you will also receive a voucher to take the certification exam for free!

Now, you might be wondering how you can pay for training. We offer three ways to pay for training so you can choose which one works best for you.

1. **Nutanix Flex Credits:** Flex Credits can be pre-purchased and applied to your Nutanix account. Check with your purchasing team or Nutanix sales rep to find out whether you have Flex Credits available that can be used towards training. Reserving your place is easy, click [here](#) to start.
2. **Purchase Order:** If you don't have Flex Credits available, you can also use a new purchase order. Talk with the Academy sales team at
3. **Credit Card:** This is a new option we've added for your convenience! Ask us to contact you at checkout to arrange payment by credit card.

In addition to paid training options, there is also free self-paced online training. These short courses, videos, and product demos are a great source of quick, to the point instruction.

Browse all of our training delivery options and available courses on the [TD Synnex Academy webpage](#)
